**Congratulations** to all the Middle School students who participated in the Spring Musical, *The Wind in the Willows*, along with Teachers Sophie, Julie-Ann, Diane and Nicole. It was a terrific show with wonderful acting and singing and a beautifully crafted set. It was a real hit with the fully-packed audience!

**Congratulations** also to FSMH students Julia Kropiewnicki, Joseph O'Brien, Elly Thomas, and Ryan Wilkins. They participated in a glass rabbit competition at Wheaton Arts and Cultural Center. Ten winners were selected from over 100 entries. Students did a drawing of a rabbit and the winners got to watch while the Wheaton glass blowers crafted their design into glass rabbits.
