

# How can YOU raise money for Friends School without spending a dime?

It's easy! Simply by ordering scrip. Here's how it works. You choose from hundreds of retailers and purchase gift cards. These gift cards, known as scrip, are dollar for dollar. In other words, \$50 cash buys a \$50 gift card, Friends School makes a profit ranging from 2-15% directly from the retailers.

There are **3 ways** to buy gift cards:

1. You may order the cards online. Check out [www.shopwithscrip.com](http://www.shopwithscrip.com) to register. When it asks for an enrollment code, enter: **2534A47112841**. Orders will be processed the **second Friday** of every month and distributed the following week.
2. There are paper order forms you may turn in. Simply send the form and payment in your child's bookbag by the **second Friday** of every month.
3. I will be available at pick up on Fridays for inventory purchases. I stock the most popular cards and am willing to purchase special requests with advance notice. For your convenience, you can email me at [FaceFixerUpper@comcast.net](mailto:FaceFixerUpper@comcast.net) with your requests.
