December 8, 2009

Dear Friends School Families,

In an effort to improve communication between school and home, a weekly bulletin will be sent to your email address on every Friday. The school-wide announcements and updates will be sent in one concise attachment, thus eliminating the backpack notices.

It is important that the school possess your preferred email address. If you have not received school emails in the past or know that you have not given us your email address, please email info@friendsmh.org with a request to be added to the school's list serve.

This more efficient communication system should give you the school news in a couple computer clicks. You can also access the weekly announcements from the school's website (www.friendsmh.org). Click "Current Announcements" located in the lower left corner of the homepage.

Please expect the upcoming week's announcements to be sent and posted on Friday, December 11th.

Sincerely,

Patti Sanderson

Principal
