

Adventure Day Camp
Week 2 - "The Spanish Speaking World"
June 28- July 2

During camp hours the camp counselors can be reached at 856-433-0763.

Campers travelled to several Spanish speaking countries this week, at each stop they had their passports stamped to show where they visited. At each stop they learned about the foods, and traditional activities for each area. In Spain they played traditional Spanish children's games. In Mexico they made guacamole and tortillas from scratch. They became completely engrossed in making miniaturas in El Salvador. And finally they made Puerto Rican masks with the artists at Taller Puertorriqueño. T. Sophie and Nicole enjoyed sharing their personal pictures of their travels in Spanish-speaking countries.

Camp will be open on Monday; please let us know if your child will not be here on Monday so that we can plan accordingly!

Active Bodies will begin on Monday; let's get ready to stretch our minds and bodies. This is sure to be a fun filled week of healthy activities! For next week please be sure to have your camper dress in loose comfortable clothing, either wear or pack socks and sneakers for everyday. Don't forget to send in a reusable water bottle everyday as well.
