HOWDY PARDNER!!! Campers this week are not only headed west, but back in time as well. We will be learning about "cowboys", The Gold Rush, horses and how to take care of them, as well as famous Native American Indian Tribes.

Horseshoes anyone??? The campers loved playing this traditional summer time game this morning!

This week many campers are attending mini camps in the morning, Kids in the Kitchen made spaghetti sauce and zucchini bread. All Star Basketball players are perfecting their foul shots as well as building their general basketball skills.

Some special field trip information.....

- All campers must wear long pants, no shorts, skirts, or dresses.
- Shoes must be closed toe for safety, sneakers, cowboy or hiking boots would be appropriate.
- Being that we will be visiting a farm there is potential to encounter some bugs such as green heads, or horse flies. Feel free to send in bug spray for your child.

Reminders:

- Please be sure your camper is prepared to swim everyday, often the weather patterns change quickly! We will go to the pool unless there is thunder and lightning or a very heavy rain.
- Full day Campers need a morning snack, we provide an afternoon snack.
- Breakfast will be available daily, this week we are offering Cinnamon Toast Crunch, apples, and Nature Valley Breakfast Bars.
- Swimsuit and towel are needed Monday – Thursday for our swim lessons.
- This week's field trip will be to the Edge of the Woods farm in Bridgeton. There campers will learn how to care for a horse as well as have a horse back riding lesson!
