

Adventure Day Camp

Week 5 - "Water, Water Everywhere"

July 19- July 23

During camp hours the camp counselors can be reached at 856-433-0763.

Splish Splash! *Water, Water Everywhere* week started out with buckets of water falling from the sky! Fortunately once again Mother Nature cooperated and we were able to swim at Raccoon Valley. It was a fishy day at camp! Camp began with the famous De. Seuss story "One Fish, Two Fish, Red Fish, Blue Fish", next campers created their own miniature canoes. By the end of the day campers created a tissue paper fish as well as their own fishing pole. The day ended with fun water based games in the gym.

Some campers are attending mini camps this week. The older kids made rice pudding while attending "Cooking Taste of the World" mini camp. Some of the younger kids are working on their reading skills, today's lessons focused on short a words; snack was full of short a munchies!
