

Adventure Day Camp
Week 6 - "Out of this World"
July 26- July 30

During camp hours the camp counselors can be reached at 856-433-0763.

10-9-8-7-6-5-4-3-2-1!!!! Blast off!!! Friends School Summer camp is blasting out of this world to learn about the solar system, space travel and even looking for aliens.

Campers experienced first hand excitement this afternoon as they created their very own rockets using standard house hold ingredients. Campers added baking soda to vinegar in a small sealed container. After the combination is flipped upside down the container blasts off as a rocket.

Some campers are attending mini camps this week. Campers attending "Let's get Creative" designed their first initial with paint and glitter. Campers then made a masquerade mask as well as created a snack.

Reminders:

- Adventure day camp begins at 9am and ends at 4 pm. Extended day hours (8am-9am or 4pm-5pm) are available at an additional charge.
- Full day Campers need a morning snack, we provide an afternoon snack.
- Breakfast will be available daily, this week we are offering Chex, apples, and Nature Valley Breakfast Bars.
- Send in sunscreen, and a refillable water bottle, these items should be labeled with your child's name. They can be left here.
- Swimsuit and towel are needed Monday – Thursday for our swim lessons.
- Weekly field trips will be announced on Mondays, please have your camper wear their Friend School t-shirt on field trip days.
- This week's field trip will be to the Franklin Institute.
