# Camp Programs

More info on our activities at [FriendsMH.org](http://FriendsMH.org)

Full- and Half-day camps include a daily swim lesson at Raccoon Valley Mon-Thurs!

Full-Day Camp: Monday - Friday 8 am - 4 pm  
Includes a Friday Field Trip every week!  
Half-Day Camp: Monday-Thursdays 8am-1pm  
Extended Day (4-5pm) is available!

## Week 1: Globe Trotters

June 26 - 30

This week of jet-setting activities will include games and crafts from all over the world. Our international journey ends with a trip to the Philadelphia Zoo to see some of the planet's most fascinating animals.

## Week 2: Express Yourself

July 3 - 7

With different activities designed to develop their talents in music, acting, athletics, and more, campers will have a chance to show off their skills all week, culminating in a Summer Camp talent show. \*Camp will be closed on Tuesday 7/4. Full and Half-day campers will attend on Friday (no field trip).

## Week 3: Sci-Fi Fun!

July 10-14

Campers will zoom into the future with games and activities inspired by our favorite science fiction stories as we end the week with some hands-on science at the Rowan Planetarium.

## Week 4: Teamwork Challenge

July 17 - 21

Campers will need to work together to come up with creative solutions to a wide array of games and group challenges. After a week of teamwork, campers will learn how they can continue to work together to preserve and protect animals and their habitats as they explore the Cedar Run Wildlife Refuge.

## Week 5: Inventor's Workshop

July 24 - 28

Campers will get in touch with their creative sides as we spend the week designing new games and drawing up our creations for another FSMH Summer Camp World's Fair! At the week's end, campers will get some more hands on creative experience with a trip to Wheaton Arts.

## Week 6: Wet N' Wild

July 31- August 4

As the summer heats up, campers will slip n' slide their way to keeping cool. Water balloons will fly in a week full of wet n' wild games, which will end with an underwater exploration at the Adventure Aquarium!

## Week 7: Sports Extravaganza

August 7 - 11

Our young athletes celebrate the wide world of sports with a week-long competition featuring sports and games from all over the globe. As the games come to a close, campers will take their Friday field trip to the bowling alley!

## Week 8: Outdoor Adventures

August 14 - 18

Campers with an adventurous spirit will delight in tackling our ropes course, completing their wilderness training, decoding treasure maps and much more. On Friday, we will take our adventures inside as we explore the mysteries of nature and science at the Franklin Institute!

Open to campers ages 4- 14  
Includes a Field Trip every Friday!

\$300 per week or \$2,250 for all 8 weeks  
\$50 Sibling Discount

### Cheerleading

August 7-11  
(Ages 4-14)

Once again led by T.

Tara, alumnus of the U. of Delaware cheer squad, our young cheerleaders will learn the basic gymnastics of cheerleading (such as jumps, stunting, and tumbling), along with some great new cheers!

### Creative Confections

August 14-18 (Ages 6 - 14)

Back by popular demand, T. Sophie returns to give desserts a makeover as campers will experiment with creative toppings and designs and then make these ideas a reality, culminating in an array of beautiful (and delicious) desserts for the whole family enjoy.

## Pre-K and K Camps

### The World of Lois Ehlert

July 10-14 (Ages 4 - 6)

Young campers will enjoy a week full of stories, snacks, and crafts as they discover the exciting world of Lois Ehlert with T. Nancy. Each day the children will focus a different book and create a morning snack and craft that goes with the featured story.

### Mother Goose

August 7-11 (Ages 3 - 6)

Young campers read, dance, and act out many of the old Mother Goose favorites with T. Nancy. Each morning your child will create a craft and a delicious snack to go along with one of these classic stories.

### Clay & Ceramics

July 17- 21 (Ages 6 - 14)

Campers who like to work with their hands will love our Clay & Ceramics camp! Working with an experienced teacher of sculpting, students will learn the basics of working with clay as they discover techniques in handbuilding and glazing. At the end of the week, campers will fire their creations in FSMH's brand new kiln!

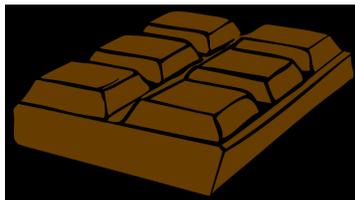

### Additional Pre-K & K Camps: (Ages 4-6)

Around the World	(June 26-30)
Pre-K's Got Talent!	(July 3-7)
Working Together	(July 17-21)
Young Dreamers	(July 24-28)
Wet N' Wild Jr.	(July 31-Aug. 4)
Young Explorers	(August 14-18)

### Chocolate Fever!

July 10- 14 (Ages 5 - 11)

Chocolate lovers this camp is for you! Campers will enjoy a shared read of children's novel, Chocolate Fever, by Robert Kimmel Smith, and use the story as inspiration for creating chocolate snacks to satisfy the cravings that will surely arise!

## Computer Camps

Jason Quattrone, FSMH's Instructional Technologist, is excited to offer two new computer camps this summer:

### 3D Design

June 26- 30 (Ages 7- 14)

With the growing capabilities of 3D printing, the ability to create 3D digital designs has opened up a world of possibilities. T. Q is offering a campers a chance to unlock some of those possibilities as they learn the basics of 3D design with Tinkercad, one of the most popular and user-friendly 3D modeling programs.

### Theater Camp with T. Sophie

July 31-  
Aug 4  
Ages 6 - 14

Learn the basics of acting on the stage from FSMH's famous theater director, T. Sophie. The camp will culminate with a live performance at FSMH!

### Baseball Camp

July 24-28  
Ages 6-14

Develop skills in hitting, pitching, fielding, and base-running with Camden Catholic High School head coach Bob Bergholtz. After leading baseball camps across the area for players of all skill levels, Coach Bob knows all of the best games and drills to turn out great young ballplayers.

### Intro to Computer Programming

July 3- 7 (Ages 8- 14)

Interested in coding but not sure where to start? FSMH's Instructional Technologist will get campers going with an exploration of Python and Scratch programming languages. By examining how block coding translates into text coding, the camp will draw connections between coding languages and provide insight into how they work in other programs.
